Technical Visit on Zero Carbon Building at Kowloon Bay

2 December 2017

Construction Industry Council (CIC) launched “Climate Change and My Smart City” Experience Centre at CIC Zero Carbon Building in early June 2017. The Centre showcases the latest technology and provides innovative visitor touch-points including games with Virtual Reality (VR) and Augmented Reality (AR) experience. The Experience Centre is divided into 4 thematic zones (Climate Change & I, Smart Living, Smart City & Construction and SmartTechnology &Health.

This visit will provide an opportunity to members learn Smart City technology, try the interactive displays first-hand, and be up-to-dated on future technology.
