13 July 2019

Ever Cool Refrigerating & Air Condition Co., Ltd. was founded in 1998 mainly dealt with Hong Kong & Macau trading business of HVAC & refrigerating related products in the early stage. In 1999, due to rapid growth of China market, a wholly subsidiary company in China was founded, named “Dongguan Ever Cool Equipment Co., Ltd”, the company care business is trading of HVAC related products and also undertook HVAC system installation in China. At the same year, the company was appointed as the authorized dealer of “NICOTRA” & “BELIMO” in Hong Kong & Macau regions.

2000, “Hong Kong Tech Free Air Conditioning Technology Development Ltd” was founded. We invested in China and established “Dongguan Tech Free Air Conditioning Mfy Ltd. which is a privately owned factory for Air Handlers. The branch “TECH FREE” was built and produced a series of HVAC products such as exhaust units, fresh air units, air handling units & coils. The aforementioned products were widely adopted in Government buildings, hospitals, pharmaceutical & advance technology industries.

Due to the market demand & satisfying production capacity, the company started the 2nd phase manufacturing plant in 2008. The factory equipped with an certified Integrated Performance Test Laboratory. At the same year, the company was appointed as sole distributor of “SWEP” and in 2015 & 2016, the company was authorized as sole distributor of “Aire-Plus” & “BROAN” in Hong Kong & Macau respectively.

This visit will provide an opportunity to members to visit the manufacturing plant in Dongguan.
